On June 4<sup>th</sup> and 10<sup>th</sup> the Rural Utilities Service (RUS) will host webinars focused on the Distance Learning and Telemedicine (DLT) Grant Program. These webinars will inform participants about the major eligibility and regulatory requirements of the program and will provide detailed guidance on how to submit a successful grant application. There will also be time for participants to ask the speakers specific questions about putting together an application.

Due to the limited amount of room available for each session, interested parties must preregister with the RUS Loan Origination and Approval Division. Seats for each session will be reserved in the order in which requests are received by the RUS. Contact us soon to ensure you can attend the workshop that works best for your schedule!

## Audio Conference and WebEx Information
